The Beauty of Time.

Rainbow
emotion of colors

The new aesthetics of time.

Rainbow e-motion of colors is new and different. The innovative style of visualizing time transforms every second into an adventure. Feel the enchantment and the inspiration from the outstanding aesthetic of our watches and from the astounding play of colors. Rainbow lends a refreshingly new meaning to the expression "nice time".

Color fascinations.

The concept in its form and color variety was developed by famous German artist Paul Heimbach. He created the unique color aesthetics of the Rainbow watches. Intensive employment of color and their characteristic emotional features led him to time-steered color pattern and displays. He really made this new collection is an eyecatcher.

The whole passion and know-how of clockmaking is inside Rainbow.
